# Brick by Brick

Pediatric Interim Care Center, The Newborn Nursery, is the only facility in Washington State providing 24-hour interim care for drug-exposed infants in withdrawal. Help us complete the funding of PICC's expanded and secure new home by purchasing virtual bricks in the new building.

Purchased bricks are registered by name and number, but not engraved. The Brick Registry is displayed in the building lobby. All brick purchasers receive a certificate bearing their registered brick numbers. In addition, purchasers at the 3-brick and 10-brick levels will receive a standard or deluxe commemorative brick paperweight. Bricks may be individually registered in the name(s) of your choice.
