Pediatric Interim Care Center FAQs

WHO we are:

Pediatric Interim Care Center, The Newborn Nursery, is the first program in the nation providing 24-hour transitional care for drug-exposed and medically fragile newborns. PICC is a qualified nonprofit for tax purposes. Our Tax ID is 91-1485176.

WHAT we do:

PICC brings babies safely through recovery from the effects of prenatal drug exposures, including fentanyl and other opiates, methamphetamine, cocaine, and prescription drugs. The pioneering program also supports visitation for families, provides caregiver training, follows the babies after they leave, and offers a range of community outreach and education services.

WHERE we are:

The center is located in Kent, Washington, 20 miles southeast of Seattle.

WHY we're needed:

PICC is the only 24-hour transitional care center serving drug-exposed infants in Washington State. It is critically important to maintain these services for all drug-exposed infants who need extra time and specialized care to fully recover and thrive.

Annual Luncheon For Drug-Exposed Infants

Host:
Michelle Esteban
*KOMO TV News
Anchor/Reporter*

Michelle Esteban, Anchor/Reporter for KOMO TV will host the program for PICC's 2025 Luncheon for Drug-Exposed Infants Thursday May 15th at ShoWare Center in Kent.

PICC's luncheon is sponsored by the Board of Directors and is the organization's major fundraising event. The annual event draws 500-600 guests and raises more than \$100,000. All proceeds are dedicated to the care of infants withdrawing from prenatal drug exposures in PICC's Newborn Nursery.

Helping the smallest victims of drugs

Infants born prenatally exposed to fentanyl and other drugs are the forgotten victims of the addiction crisis in our community. Pediatric Interim Care Center, the Newborn Nursery, is the only transitional facility in Washington State providing specialized, 24-hour medical monitoring and nursing care to safely bring these newborns through withdrawal and give them a healthy start in life. By donating to PICC's Annual Luncheon as a Title Sponsor, Patron, or Table Sponsor, you will make an investment in the lives of drug-exposed infants in our community.

Sponsor benefits and investment levels are outlined at right. A table for up to ten company representatives is included with each package. If you choose not to use all or any of the places at your company's table, the Luncheon Committee will assign a volunteer Table Captain to complete the seating. Your support is deeply appreciated.
